

Our group - Community Policing for North Kildare (CPNKAG) – are organising a Public Meeting to be held on Tuesday 8th November at 8pm in the Glen Royal Hotel.

We have been working with our local Gardaí for the past number of years. We now strongly feel that we must gather the people of our communities together to give them the opportunity to voice their support for our demands:

1. Community Gardaí in our towns
2. Full restoration of Garda Station opening times

We support and will continue to support our local Gardaí who are dealing with a growing population and increased criminality.

We invite you to join us at this well-organised and supportive meeting.

Regards,

Teresa Murray

Chairperson CPNKAG

Community Policing for North Kildare Action Group (**CPNKAG**) represents local community groups, residents' associations, concerned citizens of the North Kildare area, working with an Garda Síochána. Our focus is public safety for our communities.
