### 28<sup>th</sup> Sunday of the Year

The second reading today tells us that the Word of God is sharper than a two-edged sword, penetrating even between soul and spirit, able to discern perceptions and thoughts of the heart.

This was certainly the experience of the rich man in the Gospel who asked Jesus what he should do to inherit eternal life. After hearing that he is a good man, obeying all the commandments that relate to how he treated others, Jesus sees that his riches are what is holding him back from being closer to God - and tells him so.

The man bravely asked an honest question but it took more courage still to act on the honest answer he received.

## Amoris Laetitia

## Laraghbryan Cemetery

Irish Graveyard Surveyors will be updating the Mapping Boards at Laraghbryan Cemetery over the coming weeks. Please notify Cemetery Committee members Breda Holmes 087 2849960 or Dominic Nyland 086 6374775 with any corrections/updates by end of October.

## Altar Servers

We are once again recruiting for more Altar Servers. If you are interested in becoming an Altar Server please contact Kulli Adamberg or Martina in the Parish Office. To become an Altar Server the child must have received his/her First Holy Communion. The four week training will begin soon. This also involves a commitment from the parents/guardians - one of whom also attends the training sessions and is present in the sacristy before and after the Mass at which their child serves. The Dublin Diocesan Child Protection Policy is followed, (this is available in the Sacristy, Parish Office and on the Parish Website). It is planned that new Altar Servers will be commissioned in time for the Christmas Ceremonies.

## Do you have old glasses that you are not using? Do you want to help give sight to others?

This November will see team members from our local Specsavers in Liffey Valley travel to India to perform eye examinations for the poor in Kolkata. This trip to the Kolkata eye clinic is being spearheaded by two of our local Specsavers Directors, Lisa Walsh and our Optometrist Patrick Dennehy in conjunction with The Hope Foundation.

Last year Specsavers helped raise €50,000 for the Hope Foundation and supplied staff to help test eyes in Kolkata last year. Lisa and Patrick are now asking for our support, not financial but in the way of old glasses that you may have lying at home. These old glasses could help change the lives of the poorest people in Kolkata. If they cannot see they cannot work and provide for their families.

Please take a look at home and see what you can find and help us make a difference. ***The glasses will be gratefully accepted at the Specsavers Liffey Valley store or drop into Martina in the Parish Office. Thank you for your generosity and support.***
