## Baggage

*"It is easier for a camel to pass through the eye of a needle than for a rich man to enter the kingdom of God"*

A startling message from Jesus.

The disciples must have been stopped in their tracks to hear this. Jesus' language is so descriptive and picture perfect no wonder they thought that nobody could be saved if this was the case. The rich young man was so good in his dedication to the commandments that Jesus looked at him and loved him.

If a good man like this has trouble preparing for the next life, then no wonder the disciples were astonished at the story. How are we to put aside our "baggage" with all the people and things that we love around us in our homes?

For men and women it is impossible. But not for God.

## Re-opening of Ladychapel

After being closed since March 2020 we are delighted that Ladychapel has re-opened for Mass. At the moment we are restricted to about 35 people in attendance for Mass.

## First Holy Communions & Confirmations

Congratulations to the pupils from our four Schools who received their First Holy Communion last week.

Congratulations also to the 1<sup>st</sup> Year students who received their Confirmation. Unfortunately, these ceremonies had to be postponed earlier in the year due to restrictions. Thanks to all those involved in the preparation for these ceremonies.

## Public Access Defibrillators [AEDs]

In case of emergency there are public access defibrillators in many locations around the town of Maynooth. Many are fully accessible all of the time, some are in private locations.

For the benefit of parishioners and of anybody who suffers collapse within or near our Churches, please be aware that there are AEDs available outside both of our Church buildings.

In St Mary's Church the AED is on the external front wall of the Pastoral Centre. In Ladychapel the AED is on the external wall of the Chapel. Both units are accessible 24/7.
